#### Known History

1965 to 1973 owned by G. Marchand from Uitenhage. From 1973 to 1998 present owners brother owned the car. His son DJ Vermaak inherited the car after his father passed away in 1998. The car was registered as CCN 20337. The car has not run since then and although it is complete, it needs lots of T.L.C. The car still has its original Taunus motor and it was extensively modified. In 1969 it was clocked with a top speed of 132mph.
